Chart Number:

Dear Recipient,

We hope this note finds you feeling well. It helped us to know that our loved one could make a true difference in someone else's life. Please know that we would be most open to receiving a note from you telling us how you're doing and a little about yourself. If you have any desire to write us, please don't feel awkward about doing so.

We thought you might also want to know a little about your donor. Let us share with you some things that are most memorable to us...

You remain in our thoughts as we truly wish you health and happiness.

Sincerely,

Your Donor Family
