

Dear Donor Family,

It has been (one month, three months, etc.) since I received the gift of life through your loved one's gift of organ donation. I want you to know that I continue to give thanks each day for this gift and often think of you and your family. I am so sorry for the loss of your loved one. I hope you can find some comfort knowing my life has fully changed because of your unselfish act. Words cannot express how thankful I am for your generosity and compassion. You have my deepest sympathy for the loss of your loved one, and my greatest thanks for the second chance at life.

Sincerely,
